EDUCATION

National Institute of Technology Delhi
Bachelor of Technology (CGPA: 8.44)

2020-24

EXPERIENCE

ThoughtSpot India Pvt Ltd

Hyderabad, On-Site

Member of Technical Staff

Jul '24 - Present

- Working to ensure stability of the home page of the product.

Software Engineering Intern

Jan '24 - Jun '24

- Worked on **Filter and Sort feature** for worksheet tables and columns along with one team member. Collaborated with the backend team to update API to include **tags, authors and database info** to sort the tables.
- Implemented Knowledge Cards that tell users info about a selected table including database, schema, author etc. Made API calls to the backend
- Migrated schema viewer from Angular to React by creating new React components and making GraphQL calls to the backend. Also helped to solve various design issues in old UI during migration
- Resolved **high priority bugs** in the existing code on a priority basis for the customer, with average time of 1-2 days to merge the changes into master. **Cherry picked** must fixes to already released software, added retroactively to older versions of product.

Software Engineering Intern

Jun '23 - Jul '23

- Implemented **50+ accessibility improvements** in the product's website
- Worked with **React.js** and **Typescript** to ensure website is accessible by **keyboard and screen readers**, especially for blind users and near-sighted users
- Collaborated with team to ensure that the website is in accordance with **WAI-ARIA and WCAG** international standards, achieving **Level A** accessibility certification

PROJECT HIGHLIGHTS

Golang Cloth Management API [Code]

- Developed a comprehensive cloth management API in **Golang** to handle inventory and order management.
- Implemented **JWT token authentication** for secure access and operations within the API.
- Created endpoints for updating cloth data and managing customer orders, ensuring efficient and reliable data transactions.
- Updated data to a **MongoDB** database for robust and scalable data storage and retrieval.

Golang Terminal News Reader [Code]

- Created a terminal news reader in **Golang** using **Bubbletea**, for easy navigation of parsed news and YouTube feeds.
- Integrated **SQLite** for efficient storage and retrieval of feeds, optimizing data management within the terminal.
- Implemented content fetching from the URL to **parse** and display full article text instead of truncated feed contents.
- Also implemented an **API** using **Go** supporting retrieval and addition of feeds and updating them in database

Real Time Chatroom Application [Code+Screenshots]

- Implemented a Real Time Chatroom with **Next.js** for seamless server side rendering, and **Clerk** for authentication
- Integrated **UploadThing** as a robust big data server, supporting file uploads up to 2GB
- Ensured effective **CRUD** operations and server communication using the promise-based HTTP library **Axios**
- Facilitated real-time bidirectional communication across platforms using **SocketIO**

Photogram - An image sharing social media platform [Code] [Live]

- Launched Photogram, a dynamic image-sharing platform with **secure user authentication** using **Firebase**
- Implemented **post, comments, home page and suggested users** functionality for enhanced user engagement
- Developed responsive UI using **React**, utilizing **ChakraUI** for common UI elements
- Utilized **Zustand** for efficient state management in the frontend, providing updates on any change in backend

SKILLS

- Languages:** Python, C++, Java, Go, SQL, TypeScript
- Frameworks:** ReactJS, Jest, Playwright, NextJS, NodeJS, Angular, Flask
- Developer Tools:** Git, Heroku, Vercel, Firebase, LaTeX, VSCode, IntelliJ
- Libraries:** Prisma, Pandas, Geopandas, ChakraUI Bootstrap, rayLib, Godot

ACHIEVEMENTS

- Solved **400+** Data Structures and Algorithm problems on **Leetcode** [Link], rated **1545** on contests.
- Achieved a highest Rating of **1708**, 3 stars in **Codechef** [Link]
- Published paper **Study and Analysis of Plant Disease Identification Models** for ICIC3S Conference, available on [IEEE Explore] DOI: 10.1109/ICIC3S61846.2024.10603350
- Awarded 5 stars in Python and C on **Hackerank** [Link]
